Dear Atosa User

We are incredibly proud to announce our very own in-house service department. At Smart Kitchen Service, our staff is dedicated to providing our customers with services and products exceeding their expectations. At Smart Kitchen Service, we pride ourselves on delivering superior customer service by providing a steady communication between our service agents and our customers. Our unique ability to provide customers with same day customer service, gives us an edge over our competition. At Smart Kitchen Service every one of our customers is assigned to a specific customer service representative, who directly oversees that service call and its progress from start to finish. The direct involvement of our customer service team allows Smart Kitchen Service to remain flexible and tailor our service to suit the needs of our customers. When you need a solution our customer service representatives are there to help you find it. We make your satisfaction and continued business our priority!
